

## Buy Fresh, Buy Local – 2025 - Roosevelt, NJ

Why is locally grown food important?

- It tastes better because it's picked when fresh, not harvested in advance for long-distance shipping.
- It's better for your health because fresh food contains more nutrients.
- It's better for the environment because it maintains open space and promotes sustainable practices.
- It's better for the community because it supports and creates a connection with local farm families.
- It's better for the climate because it reduces carbon emissions from long-haul transport of food.
- It's fun!

In Roosevelt, locally grown food is available at Mendies Farm, which operates a roadside stand and CSA The Farm is owned and managed by Roosevelt residents, Lawrence and Heidi Mendies.
