Environmental Commission Mission Statement

- 1. To protect, preserve, and enhance the natural environment within our jurisdiction.
- 2. To promote sustainable practices and responsible resource management for the benefit of present and future generations.
- 3. To Advocate for environmental justice, ensuring equitable access to clean air, water, and a healthy environment for all communities.

Goals: Short term goals for the next 18 months approved (approved by EC on 11/15/23)

Environmental Education and Outreach of these subjects:

- 1. Forever Chemicals are PFAS chemicals that disrupt the immune system and are carcinogenic.
- 2. Investigate Community Solar or other programs that allow households to use renewable energy without installing solar panels on their homes. Learn more about Clean Choice energy which allows a resident to select renewable energy as the source of energy for their home. Present results at a community meeting.
- 3. Advocate for safe and responsible waste management practices. Partnering with the Recycle Coordinator to get more information out on what is recyclable. Also encourage use of eco-friendly products

Land and People Acknowledgement

The land and waterways upon which the residents of the Borough of Roosevelt gather and live are the ancestral territory of the Lenni-Lenape nation. We honor the contributions of their ancestors and those who continue to live in the area we call New Jersey. May we live together in harmony, caring for this sacred land.
