FOR KEEPING OUR ENVIRONMENT LITTER & GARBAGE FREE!

For more information, email Clean Communities Coordinator, Diane Lowrie at dianeadel@yahoo.com with "Roosevelt Clean Up 2020" in subject line.

Covid-19 Precautions: Wear a mask and keep 6' apart at the sign-in table. On the pick-up, wear gloves and a mask. Keep 6' away from non-family members. Groups picking together must have fewer than 10 people. Unfortunately, there will be no refreshments or social gathering this year because of Covid concerns. Hopefully, in spring, we can resume closer to normal activities.
